I give her Monkey With a Banjo.

How big?

Foot tall. Ceram...uh?

Ceramics. Imposing, but she's college girl,  
How she take it?

Melted!

Wonderful!

I'm not a grown-up, I know. All her other friends wanna  
talk about Existent-whatsit.

Nobody gives a shit about any of that. Just showing off.

Like real monkey with banjo?

Bingo!
